Farm Labor Contractor Registration 2024

All Licensed Farm Labor Contractors must:

- 1.) Register annually with the Agricultural Commissioner of each county where the license is used
- 2.) Carry the license and proof of registration at all times
- 3.) File a change of address with the Agricultural Commissioner, the Labor Commissioner and the Post Office whenever there is a permanent change of address.

Special Requirements for Treated Fields*

**A treated field is a field that has had a restricted entry interval in effect or been treated with a pesticide in the last 30 days:*

You must do the following when your employees work in treated fields.

- 1.) Display a copy of a completed *Pesticide Safety Information Series* leaflet A-9 (A-9) at the worksite, at all permanent decontamination facilities, and at decontamination facilities serving 11 or more workers. *Pesticide Safety Information Series* leaflets are available from the Department.
- 2.) Display at the worksite or at a central location where fieldworkers gather, a description of the location of the property operator's application-specific Information Display, in the appropriate section of the A-9.
- 3.) Inform employees, before they are allowed to enter a treated field, of the location of records of pesticide use on fields where they work.
- 4.) Ensure that each employee has been trained in compliance with the California Code of Regulations (3CCR), section 6764 (Fieldworker Training) within the last 12 months.
- 5.) Inform fieldworkers or their field supervisor of the name and location of a physician or medical facility where emergency medical care is available. When there are grounds to suspect that exposure to pesticides has caused or is likely to lead to illness, the employer shall ensure that the employee is taken by another person to a physician immediately.
- 6.) Ensure that a decontamination site containing the following is available to all employees:
 - 1) One gallon of clean water per employee;
 - 2) Soap (no hand sanitizing gels or wet towelettes);
 - 3) Single use towels (not wet towelettes).

By signing below, I confirm that I have reviewed the obligations above.
