

## **QUEENSLAND FRUIT FLY QUARANTINE GROWERS' MEETING**

For the growers of agricultural crops in or near the Thousand Oaks,  
Santa Rosa Valley, Somis and Moorpark regions affected by the QFF  
quarantine.

California Department of Food and Agriculture and County of Ventura Agriculture/Weights & Measures will be offering an informational meeting regarding the Queensland Fruit Fly Quarantine and the steps growers will need to follow to ensure successful harvests. Information will be given regarding compliance agreements, treatments, and pre-quarantine options for growers near but outside the boundary. There will be an opportunity for growers to begin the Compliance Agreement process at this meeting.

**February 28, 2024**

**2PM-4PM**

Agriculture Museum  
926 Railroad Avenue  
Santa Paula, CA 93060
