

THANK YOU

for your interest in becoming an
In-Home Support Services (IHSS)
provider for our registry!

Some experience required.

Please plan on attending one of our 4-hour Information/Orientation Sessions held on the 1st Tuesday of each month in Simi Valley and 2nd and 4th Tuesday of each month in Ventura to learn more about being an IHSS Registry provider. You will need to bring your driver's license and original Social Security card. The door will close 10 minutes after the start time, so please arrive early.

These sessions are for interested providers only, as space is limited. We thank you for respecting this request and look forward to seeing you!
